### What's in the news

Dennis Marstal, our national rep came to visit us the week before spring break. I hope everyone got a lot out of his visit; I know I did.

Congratulations to Kirk Miller and Mark Ott for getting their TA jobs after college.

Congratulations to Ryan "Chopper" Wallock and Gretchen on their Engagement. We are looking forward to "Choppettes".

In February there were 77 new associates and 129 new initiates. Up from last years count of 88 and 63 respectively.

After our last Association Ceremony, Theta Xi at UWSP is now the 2nd largest fraternity on campus. Congratulations to everyone who recruited.

And Congratulations to Nicole Moore for being selected Theta Xi Sweetheart.

### Article of the Month

Right now we are the fastest growing fraternity on campus. I'm very proud to say that we are also maintaining a good quality as well. I can see that everyone in the organization is well motivated to make this one heck of a fraternity. We have good attendance as well as participation and I think that everyone deserves a pat on the back for their dedication. Keep up the good work and remember, we are only as good as our weakest link.

### Recruitment

We started the fraternity last October 21st with only 14 members. We now have 27 and still recruiting. Remember that we recruit 365 days a year. Even though we only have 5 weeks of school left doesn't mean we can stop. We had a goal of 35 members by the end of the semester so we have to bust our buts and get some quality people in. It's up to you, so bring someone to any meeting or any function. Lets do it!!

Don't forget that everyone must bring the following item to each meeting: The Quest, Notebook (3 ring binder works best), writing utensil, and the calendar of events.
