Farmers' Almanac™ S N & W L & R E

When the snow is on the ground, it's a sign that the winter is here. But don't let the snow fool you. The weather can be tricky. So, when you're out in the snow, be sure to wear your winter gear. And, when you're in the snow, be sure to wear your winter hat. And, when you're in the snow, be sure to wear your winter boots. And, when you're in the snow, be sure to wear your winter gloves. And, when you're in the snow, be sure to wear your winter scarf. And, when you're in the snow, be sure to wear your winter coat. And, when you're in the snow, be sure to wear your winter hat. And, when you're in the snow, be sure to wear your winter boots. And, when you're in the snow, be sure to wear your winter gloves. And, when you're in the snow, be sure to wear your winter scarf. And, when you're in the snow, be sure to wear your winter coat.
