

**In humility, I come before you O God, I pray
...use me as YOUR instrument today.
Please accomplish YOUR purpose through me.**

**As leaders of the industry, please lead us on...
- as the board of directors, bind us as one
-- as we plan for the future, give us wisdom
--- and in hoping, give us faith.
May YOU be honored and glorified
...in ALL that we do today.**

**This we pray, in the most precious name of
...our God and Savior, the Lord Jesus Christ. Amen!**
