Softpedia is a library of over 1,300,000 free and free-to-try software programs for Windows and Unix/Linux, games, Mac software, Windows drivers, mobile devices and IT-related articles.

We review and categorize these products in order to allow the visitor/user to find the exact product they and their system needs.

We strive to deliver only the best products to the visitor/user together with self-made evaluation and review notes.
