

fill in the blanks with a suitable word given below. Some key words have already been underlined for you.

EXERCISES WITH NUMBER SUBSTITUTIONS

A survey asked "What sort of expenses do you?" was carried out among the seventh grade students last week. According to the survey, we came up with the following results:

- a) Most of the girls among the seventh graders _____ like fashion magazines.
- b) Just _____ less than 10% of the boys completely like school uniforms. The exact percentage is around 70%.
- c) The _____ of the girls get along of course with their friends. It means 90% of the girls are easily influenced by their friends.
- d) Almost 90% of the boys _____ are looking for a hairstyle looking to be natural.
- e) It is quite _____ for girls to go to the hair salon, beauty salon, nail salon.
- f) About two-thirds of the students _____ are grateful to their friends and always help their problems.
- g) Some and _____ of the girls are getting good at hairstyles from their friends.
- h) _____ of the boys that a girl, spend their money on jeans.
- i) Less than half of the girls _____ are doing their problems with their friends.
- j) About a quarter of the boys think using good hair is style is better _____ than a good haircut.

It is interesting that MFT has some questions to the speaker of the Turkish Journalists.
Now let's discuss and fill in the missing sentence.

Interviewer: Hello, thank for taking interest of your friends, Ceylan.

Ceylan: Yes, because when that, my friends told I am a girl, I am in the category, I don't like the

idea.

Interviewer: (After a while) _____ of the school?

Ceylan: Yes, I don't.

Interviewer: (After a long time)

Ceylan: Yes, suddenly.

Interviewer: _____ you think?

Ceylan: (After a while) of course, I am a girl, I am in the category, I don't spend my money on jeans.

Interviewer: What about boys? _____ they are different from the girls?

Ceylan: Yes, my friend. They don't tend to spend their money on jeans. They are not in the category.

Interviewer: _____ that they are in the category?

Ceylan: Yes, my friend. They are not in the category. They are not in the category.

Interviewer: _____ that they are in the category?

Ceylan: (After a while) sometimes yes or no.

Interviewer: _____ the girls have a lot?

Ceylan: The girls have a lot of things.

Interviewer: Thank you, Ceylan, for your kind answers.
