## Spreadsheet Templates, Calculators, and Calendars

by Vertex42: The Guide to Excel in Everything

Since 2003, Vertex42® has been creating professionally designed spreadsheet templates for business, personal, home, and educational use. We love Microsoft Excel® and we are also a leading provider of templates for Google Sheets and OpenOffice.org. We are also in the process of creating many [Spreadsheet.com Templates](#). Our collection of financial calculators include some of the most powerful and user-friendly [debt reduction](#) and [money management](#) tools you can find. We also provide a large selection of templates for Microsoft Word® such as resumes, letters, or a [business plan template](#) that includes financial statements in Excel. If you are a student just getting started with Excel, check out our new [Excel Tutorials for Beginners](#).
