

The background is a dynamic composition of geometric shapes. A large black diamond is centered, with the text 'MOTION GRAPHICS' in white. The diamond is surrounded by magenta triangular sections. Thin white lines radiate across the magenta areas. Three blue-to-purple gradient circles are positioned around the diamond: one at the top, one at the bottom-left, and one at the bottom-right. Each circle is partially covered by a black crescent shape. Small white triangles are also scattered in the magenta sections.
