

The image shows a Microsoft Word calendar template for the month of June. The calendar is displayed in a grid format with columns for the days of the week (S, M, T, W, T, F, S) and rows for the dates (1 through 30). The title 'June' is centered at the top. A Microsoft Word icon is overlaid on the bottom left of the calendar grid.

The image shows an Excel spreadsheet with a calendar for July. The spreadsheet has columns labeled A through O and rows numbered 1 through 23. The title "July" is centered in the top row (row 1) in a large, bold, white font. The calendar grid starts at row 2, column A. The days of the week are labeled in the first row of the grid (row 2): S, M, T, W, T, F, S. The grid shows dates 1 through 31. A blue curved arrow points from the bottom left towards the center of the grid. An Excel icon is visible in the bottom left corner of the grid area.
