

Math in Science & Engineering

STEP INTO CYBERSPACE

HOW CAN YOU
STEP INTO CYBERSPACE?
TRY THIS!

YOU NEED

Scissors

DIRECTIONS

1. Cut off the directions.
2. Fold the picture along the center yellow line.
3. Starting from the folded edge, cut along the yellow dotted lines. Do not cut past where the lines stop.
4. Starting from the open edge, cut along the red dotted lines. Do not cut past where the lines stop.
5. Unfold the paper and cut through the strips along the fold. DO NOT cut through the two end sections.
6. Stretch out the paper and... step into Cyberspace!

For more math fun, check out **CYBERCHASE** weekdays on PBS KIDS GO! and the cool games at pbskidsgo.org/cyberchase
