

## GENERATE EXPRESSIONS SHEET 1

Write down expressions for each of the following using algebra.

Example: '5 less than c' is ' $c - 5$ ' and '3 lots of g' is ' $3g$ '

1) add 2 to a	= $a + 2$
2) subtract 1 from b	=
3) double a	=
4) add 1 to d	=
5) subtract 2 from e	=
6) half of f	=
7) multiply g by 9	=
8) multiply h by 2	=
9) divide i by 3	=
10) add 4 to j	=
11) double k and add 1	=
12) double l and subtract 2	=
13) halve m and add 3	=
14) halve n and subtract 7	=
15) multiply o by 2 and add 9	=
16) multiply p by 5 and subtract 2	=
17) add 7 to r	=
18) add s to 7	=
19) subtract 10 from t	=
20) subtract u from 10	=
21) multiply 2 by v	=
22) multiply w by 2	=
23) divide x by 5	=
24) divide 5 by y	=
