them?

Simon: Draw a
challenging or tough
moment.

skill like pumping
or climbing!

breaths!
Pretend your hand is
a flower. Smell the
flower - IN. Blow the
petals - OUT.

30 Guess the feelings-
Chorus:
Take time being out
on a mission - warm,
cooled, shy, happy,
interested

Thanks for the memories. Chances are your own happy memories revolve around things you did with those you love. Really enjoy your child by taking time to have fun together every day. Sing songs while making dinner or driving the car. Take a walk and look for ducks or interesting sticks. Play ball, play house, play cards, play ANTHING - just do it together!
