# 52-WEEK CALENDAR

| W  | Sunday | Monday | Tuesday | Wednesday | Thursday | Friday | Saturday |
|----|--------|--------|---------|-----------|----------|--------|----------|
| 1  |        |        |         |           |          |        |          |
| 2  |        |        |         |           |          |        |          |
| 3  |        |        |         |           |          |        |          |
| 4  |        |        |         |           |          |        |          |
| 5  |        |        |         |           |          |        |          |
| 6  |        |        |         |           |          |        |          |
| 7  |        |        |         |           |          |        |          |
| 8  |        |        |         |           |          |        |          |
| 9  |        |        |         |           |          |        |          |
| 10 |        |        |         |           |          |        |          |
| 11 |        |        |         |           |          |        |          |
| 12 |        |        |         |           |          |        |          |
| 13 |        |        |         |           |          |        |          |
| 14 |        |        |         |           |          |        |          |
| 15 |        |        |         |           |          |        |          |
| 16 |        |        |         |           |          |        |          |
| 17 |        |        |         |           |          |        |          |
| 18 |        |        |         |           |          |        |          |
| 19 |        |        |         |           |          |        |          |
| 20 |        |        |         |           |          |        |          |
| 21 |        |        |         |           |          |        |          |
| 22 |        |        |         |           |          |        |          |
| 23 |        |        |         |           |          |        |          |
| 24 |        |        |         |           |          |        |          |
| 25 |        |        |         |           |          |        |          |
| 26 |        |        |         |           |          |        |          |
| 27 |        |        |         |           |          |        |          |
| 28 |        |        |         |           |          |        |          |
| 29 |        |        |         |           |          |        |          |
| 30 |        |        |         |           |          |        |          |
| 31 |        |        |         |           |          |        |          |
| 32 |        |        |         |           |          |        |          |
| 33 |        |        |         |           |          |        |          |
| 34 |        |        |         |           |          |        |          |
| 35 |        |        |         |           |          |        |          |
| 36 |        |        |         |           |          |        |          |
| 37 |        |        |         |           |          |        |          |
| 38 |        |        |         |           |          |        |          |
| 39 |        |        |         |           |          |        |          |
| 40 |        |        |         |           |          |        |          |
| 41 |        |        |         |           |          |        |          |
| 42 |        |        |         |           |          |        |          |
| 43 |        |        |         |           |          |        |          |
| 44 |        |        |         |           |          |        |          |
| 45 |        |        |         |           |          |        |          |
| 46 |        |        |         |           |          |        |          |
| 47 |        |        |         |           |          |        |          |
| 48 |        |        |         |           |          |        |          |
| 49 |        |        |         |           |          |        |          |
| 50 |        |        |         |           |          |        |          |
| 51 |        |        |         |           |          |        |          |
| 52 |        |        |         |           |          |        |          |
