WordPress Contributor Meetup

August 10 @ 10:00 am - 12:00 pm | Recurring Event (See all)

Come hang out with other WordPress users, designers and developers and contribute to the WordPress project.

Note: this is not an educational meetup – it's about contributing. If you're looking to learn WordPress or get help with a project, check out another meeting on the Seattle WordPress Meetup calendar (<http://www.meetup.com/SeattleWordPressMeetup/events/>), but if you'd like to contribute to WordPress, we'd love your help.

No previous experience needed – you just show up and we'll help you find something to do. You can see an overview of different contributor teams at make.wordpress.org (<https://make.wordpress.org/>).

We'll be working on things like:

- Documentation
- Support
- Subtitling videos for WordPress.tv (bring headphones)
- WordPress Core

Hope to see you soon!
