

Unable to connect to the Internet

[Reload](#)

[Less](#)

Google Chrome can't display the webpage because your computer isn't connected to the Internet.

Check your Internet connection

Check any cables and reboot any routers, modems, or other network devices you may be using.

Allow Chrome to access the network in your firewall or antivirus settings.

If it is already listed as a program allowed to access the network, try removing it from the list and adding it again.

Error code: DNS_PROBE_FINISHED_NO_INTERNET
