

Name: _____

Rhythm Worksheet #2

Directions: Write in the rhythmic counting for the exercises below. Write the counting directly under each note, circle the counts that contain rests, and use parenthesis to enclose the counts for notes that get more than one beat.

1. $\square \frac{4}{4}$

2. $\square c$

3. $\square \frac{4}{4}$

4. $\square c$

5. $\square \frac{3}{4}$

6. $\square \frac{5}{4}$

7. $\square \frac{4}{4}$

8. $\square \frac{3}{4}$
