

Name _____

Date _____

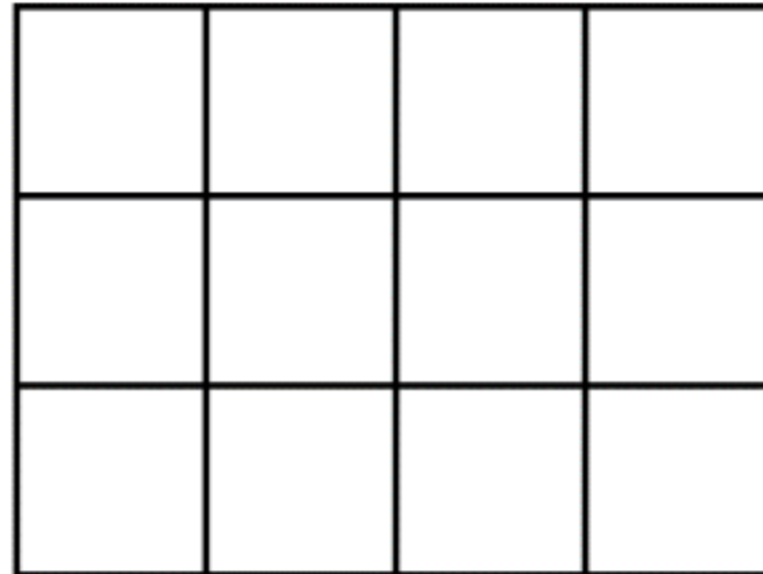

QUARTER OF SHAPES 2

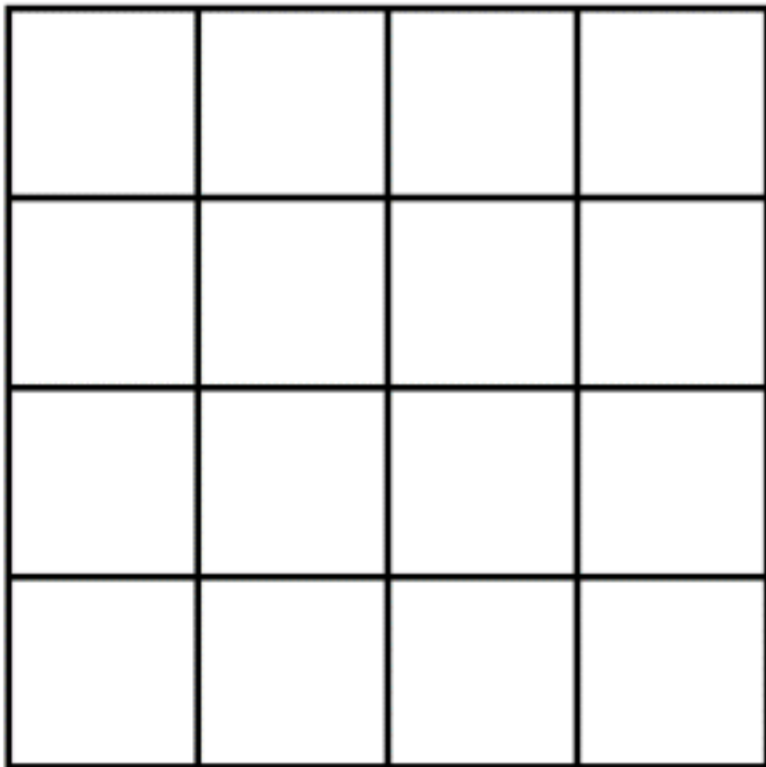

All these shapes are made up of squares joined together. Shade in a quarter of each of the shapes below, and then write down how many squares are shaded.

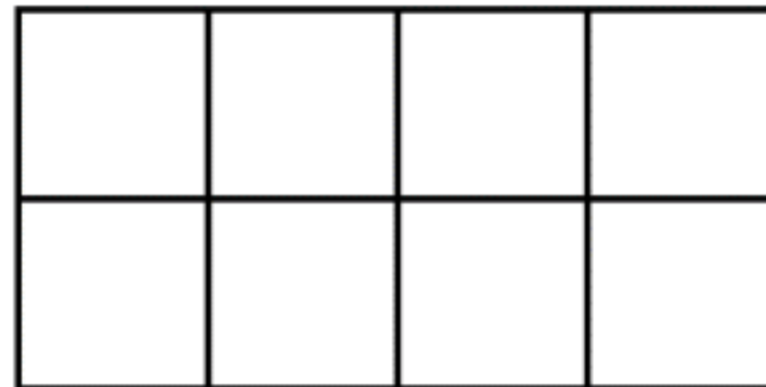

Quarter of 4 is ____

Quarter of 12 is ____

Quarter of 16 is ____

Quarter of 8 is ____

Remember – when you quarter a shape, you split it into **four equal** parts, and shade one out of 4.
