This image shows a vertical section of a white sheet of paper designed for children's writing practice. It features ten horizontal grey lines spaced evenly apart. At the beginning of each line, there is a small, solid-colored dot. The colors of the dots, from top to bottom, are red, cyan, magenta, purple, orange, yellow, green, red, cyan, and magenta. This pattern repeats every four lines, suggesting the page continues downwards. The dots are positioned approximately one-fifth of the way across the page width.
