To Whom It May Concern,

Fastrucking acquired Arizona California Express in October 2005 and have been acquainted with Thomas Lane Since that time.

Thomas Lane continued to work with all of the existing customers as well as acquired new ones, to ensure that all of their needs were met. His skill and diligence was a welcome addition to our company.

Thomas Lanes experience and expertise within the transportation industry is a valued assist to our company. His Position as Arizona Territory Manger as well as Point person for the acquisition was invaluable to our companies continued success.

I have found him to give 110% at all times as well as always being able to count on his intervention to our company's success. His ability to get the job done within a timely manner as well as within cost has been beyond approach.

We relied on Tom to maintain customer levels as well as the running of our Arizona Facilities. Tom was instrumental in the setting up of the building, employees, new trucks, trailers, budgetary cost, telecommunications.

Tom made sure our DOT inspections as well as TSA requirements were met and maintained.

If you have any questions at all about this process, please feel free to contact me at 760-681-6870

Thank you!

Sincerely,

Jim Luciani
Executive Vice President
