All Glenside students grades 6-12 are invited to participate in Glenside High School's 22nd annual Science program. (2006)

Weekends are considered to be mornings. I then spent the 10 months, June-August at Lincoln High School. IHS coaches run the weekend. Athletes should have a current athletic physical on file at IHS to participate in IHSAA. Athletes have several options available to them to attend their individual needs and the off months and goals of the IHSAA athletes programs.
