

## Parenting Plan Template

Dear Friend:

I know you will find my Parenting Plan Template to be an invaluable tool in helping you make decisions about how you will parent your children now that you have made the decision to divorce.

And if you find yourself caught in the middle of a nasty custody battle, my parenting plan template may be just what you need to gain better control of the situation and resolve it more quickly and equitably....

I developed this parenting plan template based on over 200 custody evaluations I have conducted during the past five years. One of the things I consistently observed was that parents lacked the ability to make REALISTIC long term plans for their children.

This parenting plan template will get you started. If you run into any problems or have questions, please email me at [rsommer@shaw.ca](mailto:rsommer@shaw.ca).

My best to you!
