Teacher Notes:

- This activity can be completed in a range of ways so tailor it to the needs of your classroom.
- You may wish to set this task as a small group or whole class research project, alternatively it would also be a great homework challenge.
- Keep the activity open ended and ask students to research and highlight a range of other dates important to them as after school activities or cultural events.

You will need:

- A calendar reference sheet like our [Celebrations Calendar](#) or have a computer handy to research any movable dates for this year such as Good Friday.
- The included Year Calendar or another blank calendar of your choice.
- Ensure there are plenty of coloured pencils or highlighters for students to mark the dates.
