

Shortcut to Delete Row in Excel

The screenshot shows the Microsoft Excel interface. The 'Home' tab is selected in the ribbon. The 'Delete' button in the 'Cells' group is highlighted, and its dropdown menu is open, showing options: 'Delete Cells...', 'Delete Sheet Rows' (highlighted in yellow), 'Delete Sheet Columns', and 'Delete Sheet'. A callout box points to the 'Delete Sheet Rows' option. Another callout box points to the minus sign icon in the row header of row 3. A third callout box points to the minus sign icon in the column header of column B.
