Genre of the Month: Biography

This month we are starting our biography study. Students will be reading novel about a famous person and doing a fun research project that culminates in your child dressing up as the person and telling us about his or her life during our wax museum event. You are all invited to this event! I'll send details as we get closer.

Goal: Read 20 minutes each school night. Record the number of minutes you read each day on this calendar, then graph your minutes.
