

A Minecraft scene featuring three characters in a desert environment. On the left is a skeleton with a yellow head and a bow. In the center is a large, pixelated zombie with a green shirt and a wide, toothy grin. On the right is a pink pig-like creature with a large, open mouth showing teeth. The background shows a desert landscape with a blue sky, some green trees, and a small stone structure. The text "100 DAYS MINECRAFT HARDCORE" is overlaid in the center.
