

A weathered, rectangular warning sign with a rusted metal border is mounted on a wooden post. The sign features a red oval at the top with the word "DANGER" in white. Below this, the word "ASBESTOS" is written in large, bold, black letters. Underneath "ASBESTOS", the text "CANCER AND LUNG DISEASE HAZARD" is written in smaller black letters. Further down, the text "AUTHORIZED PERSONNEL ONLY" is written, followed by "RESPIRATORS AND PROTECTIVE CLOTHING ARE REQUIRED IN THIS AREA". The background shows a construction site with two large cranes and a multi-story building with many windows.
