Country - Capitalize consistently

emailed - Use consistent hyphenation

Inconsistent use of periods

You wrote an abbreviation with periods twice and without periods once. Consistent use of periods is important for clarity. For example, "U.S.A." vs "USA" vs "USA". Choose one style (for example, "U.S.A." vs "USA") to use throughout your document.

☒ With periods (US & UK) ☐ Without periods (USA)

U.S.A. vs USA
