I am an enthusiastic individual who is hardworking, self-motivated and responsible with an outgoing personality. I enjoy meeting new challenges and seeing them through to completion.

I graduated in November 2008 with a **First Class Honours BSc Degree in Multimedia Programming and Design** from the **Limerick Institute of Technology**. I have since completed an **MA in E-Learning Design and Development** at the **University of Limerick** and obtained a First Class Honours Degree and will be formally graduating in January 2010.
