

Instant Mood Lifter!

If you like a pick-me-up (and who doesn't?), this is the calendar that delivers with every glance. On each page is a quote of optimism and pure joy, enhanced by beautiful full-color illustration, graphic design, and hand-lettering. More than 20 contemporary artists are featured (with some favorite entries from past years back for a reprise) for a vibrantly diverse mix of styles and approaches to bring the words—from “*You are blooming wonderful*” to Nelson Mandela’s “*It always seems impossible until it’s done*”—exquisitely to life. The pages are designed to be torn off at the end of the day and pinned to the wall, creating your own personal gallery of good vibes.

313 pages, with weekends combined on one page.
