|---------------|----------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|
| Week of March | <input type="checkbox"/> Read a story. Talk about what happened in the beginning, middle, and end. | <input type="checkbox"/> Collect rocks, leaves, and twigs outdoors. Make patterns with them.                                                   | <input type="checkbox"/> Gallop like a horse.                                                                                    | <input type="checkbox"/> Draw a picture of your least favorite vegetable.                 | <input type="checkbox"/> Help fold the towels and put them away.                   |
| Week of March | <input type="checkbox"/> Draw a picture of your favorite place.                                    | <input type="checkbox"/> Count how many windows there are in your home.                                                                        | <input type="checkbox"/> Put your shoes away. Help your family put their shoes away.                                             | <input type="checkbox"/> See how many words you can think of that rhyme with glad.        | <input type="checkbox"/> Go outside. Run in a large circle until you are tired.    |
| Week of March | <input type="checkbox"/> Help with dinner this week. What did you help make?                       | <input type="checkbox"/> Sing and dance to 5 Little Monkeys Jumping on the Bed. Jump when the monkeys jump. Gently fall when the monkeys fall. | <input type="checkbox"/> Get your favorite toy. Find something that is heavier and something else that is lighter than your toy. | <input type="checkbox"/> Draw a picture of the day sky.                                   | <input type="checkbox"/> Make a card for someone in your family. (Bonus: Mail it!) |
| Week of March | <input type="checkbox"/> Draw something you can do to feel better when you are feeling angry.      | <input type="checkbox"/> How many syllables are in your name? In your family members' names?                                                   | <input type="checkbox"/> Skip as far as you can. How far did you get?                                                            | <input type="checkbox"/> Ask your family to tell you a story about when you were younger. | <input type="checkbox"/> Write the number 3. Draw 3 things below it.               |
