

Let's get started. We need to map your object to AirBnb account.

Object

Villa Marina

AirBnb email

[Redacted]

AirBnb password

[Redacted]

Continue →

Let's map your AirBnb listings with Booking calendar units. That way, all your AirBnb reservations will show up in corresponding Booking calendar units.

Airbnb

1 Superb sea view apartment for four

2 Apartment Blue for 4 persons

3 Studio apartment for 2 persons

4 Studio apartment top floor
