

March Calendar

Supplies needed:

- Construction paper 18 in x 12 in
- White card stock
- Crayons/markers
- Glue or double-sided tape
- Hole Punch
- Yarn

Directions:

Print up March calendar template on white card stock. (1 set per child). Have children color

- Glue to a piece of construction paper. (You can also use double-sided tape for a cleaner finish).
- Punch a hole in both the left and right upper corner of the finished calendar. (On the construction paper).
- Thread yarn through and hang up using yarn.

Please note: Before you print up the March calendar, you have the option to type directly onto the calendar birthdays or holidays. Blue boxes won't show up when you print.
