

The image displays three overlapping blank calendar templates for the months of January, February, and March. Each calendar features a header with the month's name in large, bold, 3D-style capital letters. Below the header is a row of seven columns representing the days of the week: SUNDAY, MONDAY, TUESDAY, WEDNESDAY, THURSDAY, FRIDAY, and SATURDAY. The main body of each calendar consists of a grid of squares for dates. The January calendar is partially visible behind the February one, which is in turn behind the March one. The March calendar shows its first row of date boxes, while the others are mostly obscured by the overlapping sheets.
