

Student-Centered Learning Spotlight

Learning Anytime, Anywhere Spotlight on FabNewport

Learning Anytime, Anywhere is the principle that structured, credit-bearing learning experiences can take place outside of the traditional school day, or even the school year. They can take place in the community and are not restricted to the classroom.

Examples:

- Expanded Learning Opportunities (ELOs)
- Dual and concurrent enrollment
- Internships
- Community service¹²

An Executive Director's Perspective: Students are Makers

- Steve Heath is the founder and Executive Director of FabNewport, which gives Newport County residents "alternative pathways to science, technology, engineering, arts, and math (STEAM) through mentoring and personalized education."
- FabNewport provides classes, workshops, and after-school programs for students who want to learn how
