January

The image displays two blank monthly calendar templates. The left calendar is for January, with a header in light blue containing the word 'January' in a cursive font. The grid shows days of the week (SUN, MON, TUES, WED, THURS, FRI, SAT) and dates. The right calendar is for February, with a header in light blue containing the word 'February' in a cursive font. The grid shows days of the week (SUN, MON, TUES) and dates. Both calendars have a light blue header and a white grid with black lines. Small grey squares are visible in the top-left corner of each calendar grid, likely representing the start of the month.
