The image displays a central title card with a green scalloped border that reads "My Calendar Notebook". Surrounding this central card are several other printables: a "Days in School" worksheet with a sunflower icon, a blank monthly calendar for August with a yellow sunflower header, a "Days of School" chart for the entire year with a star icon, a "What's the weather in August?" chart with a sun and clouds icon, and a "Days of School!" chart with a sun and clouds icon. There are also sections for addition and subtraction problems, and a clock and thermometer for time and temperature activities.
