

Show the children of our community the importance of giving back, while making a difference in the lives of the wounded veterans whose sacrifices help to protect America's freedoms.

On March 15, 2014 at Eleanor C. Lawrence Park Field on Sully Road (Route 28), Chantilly Youth Association (CYA) and Southwestern Youth Association (SYA) are joining forces to host the first "LAX for a Cause: Purple vs. Red" marathon lacrosse game. The goal?

Raise \$10,000 to benefit our nation's wounded warriors through the Wounded Warrior Project. The marathon will feature more than 20 teams – with players ages five and up – playing at a different time slots throughout the day.

As you know, CYA Lacrosse is a local, volunteer, non-profit youth sports organization that serves the youth of Western Fairfax. Proceeds beyond the \$10,000 for the Wounded Warrior Project will be used to improve LAX player safety through the purchase of updated equipment and gear. Funds raised will also help the sport stay accessible to every household in Western Fairfax by keeping registration costs low and subsidizing the organizations' free off-season training programs and clinics.

More than 500 boys and girls are involved in CYA Lacrosse, which is dedicated to ensuring positive experiences – in a safe environment – for players of every skill level.
