

What genre of music do you like the best ?

The results show that pop music is the most popular genre of music. Therefore i will include someone big in the pop music industry on my front cover so that my magazine will appeal to more people and sell more magazines.

Which artist do you prefer?

I have asked people which pop artist they like the most. Although all of these artist are pop artist they have different style and sound. Rhianna is rocky, Tinie Tempah is cool , Katy Perry is girl and David Guetta is casual. My result show Katy Perry is the most liked pop artist so if i include he in my magazine i will focus my magazine on some of the styles
