Memorandum of Understanding

Between

The University of Massachusetts Lowell

And

XXXXXXXXXXXXXXXXXXXX

This Memorandum of Understanding (MOU) is entered into by and between the University of Massachusetts Lowell (UML) and XXXXXXXXXXXX (XXX). UML and XXX agree that cooperation in research collaborations and student and faculty exchanges would be mutually beneficial. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and education activities such as:

- Joint research projects and publications, including work by undergraduate, graduate, and post-doctoral students at the partner institutions;
- Joint degree programs;
- Faculty and student exchanges;
- Reciprocal placement of students in paid internships and co-ops, when possible;
- Joint conferences and workshops;
- Team taught courses, including online courses; and
- Visits by faculty, professional staff, and students.

We anticipate that a number of these initiatives will occur during the period of this MOU. In particular, based on previous conversations, the following initiatives provide a good starting place and can be put into place as soon as administrative details can be worked out between the two universities: [Note: The items below should be adapted to fit the partner institution or to reflect previous conversations if there has been earlier discussion.]

- Summer joint MBA electives;
- Summer undergraduate experiences;
- Faculty and student exchanges and opportunities for paid internships;
- Joint degree programs;
- Cooperation in academic and research programs in nanotechnology and bioengineering centers, including the joint Ph.D. program in Biomedical Engineering and Biotechnology between UMass Lowell and UMass Medical School and the joint Massachusetts Center for Medical Devices.

In addition, UMass Lowell will be pleased to facilitate relationships between XXXXXXXXXXXX and other institutions in the University System of Massachusetts: UMass Amherst, UMass Boston, UMass Dartmouth and the UMass Medical School in Worcester.
