

RESCUE : WOODEN : BOATS

Conserving Maritime Heritage

OPEN : DAY : INVITATION

Did you know that the old wooden fishing boats of North Norfolk are unique to this coast and no two are the same? We set up the charity, Rescue Wooden Boats, to tell the stories of the boats and local families that built and earned their living from them and help restore important examples of the surviving boats.

We are inviting you to our open day on **Saturday 13th April 2-4pm**
at the Maritime Heritage Centre in Stiffkey so that we can:

- * Show you the unique history we are conserving
- *Tell you about our **new weekly Maritime Mingle events** programme
- *Guide you around master boat builder, David Hewitt's workshop.

Look forward to seeing you there - we will provide the refreshments.
