

2023 Calendar Planner Spreadsheet

The screenshot displays a Microsoft Excel spreadsheet titled "2023 Calendar Planner Spreadsheet". The spreadsheet is open to a worksheet named "Full Year 2023 - Holidays". The interface shows three overlapping calendar views for the months of March, February, and January 2023. The March view is the topmost, followed by February, and January is the bottommost. Each calendar view has a title bar with the month and year, and a grid of days. The January view shows the days of the week (Sunday through Saturday) and the dates. The spreadsheet is titled "Full Year 2023 - Holidays" and includes tabs for each month from January to August. A large purple arrow points from the top right towards the calendar views.
