

make your own map

Name: _____

It is your turn to be the map maker, or cartographer. Use the space below to draw your own map. Any kind of map that you want! Here are some ideas:

- A map of your neighborhood
- A map of an imaginary island
- A map of inside your favorite candy store
- A map of secret tunnels under your school

Be creative!

Remember to include a legend, scale, and compass rose on your map.

The main area is a large rectangle for drawing. At the bottom, there are three smaller boxes for map components:

- Legend:** A box on the bottom left with the label "Legend" inside its top section.
- Scale:** A box in the bottom center with the label "Scale" inside its top section.
- Compass Rose:** A box on the bottom right with the label "Compass Rose" inside its top section.
