

Our community

Our community generally comprises of individuals who fall in to one of the following categories:

1. Managers who like to be informed about innovation and FinTech news
2. Investors who like to understand and be aware of investment opportunities
3. FinTech and innovative start-ups that want to network

Visit the page 'Community' on our website and click on 'Innovation vs. Creativity' to watch the movie about the faces and voices behind the scenes of our conferences.
