

# CULLMAN COUNTY SCHOOLS

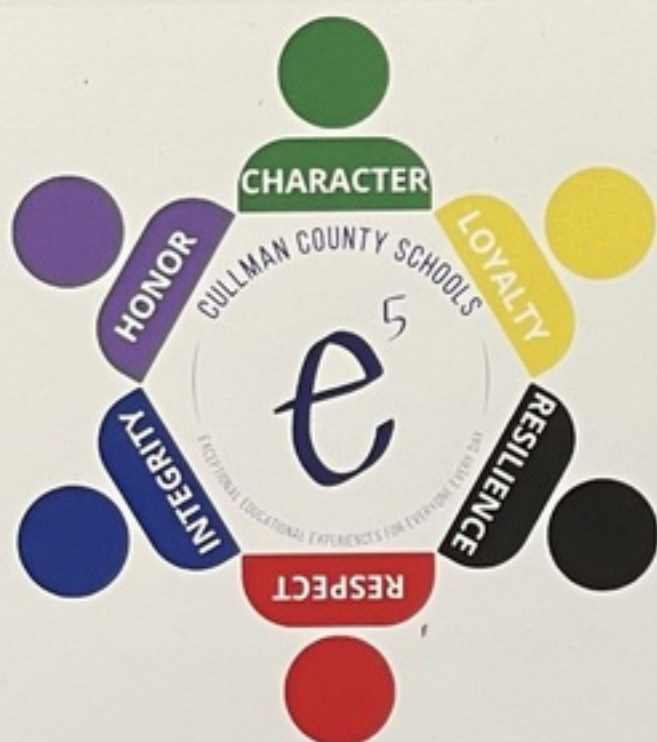

EXCEPTIONAL EDUCATIONAL EXPERIENCES FOR  
EVERYONE EVERY DAY

## WHAT IS OUR "WHY"?

In order to prepare young people for life, we feel it is essential that everyone is loved, supported, and encouraged. A family is a group of people united by a common bond. We are the Cullman County Family. Our family values include integrity, character, loyalty, honor, resilience, and respect. As we develop these characteristics to strengthen our family, we will become leaders and servants throughout our community. We all have a purpose; we are Cullman County.

## We Are The Cullman County Family

Every adult and child will be part of a family. The families of Cullman County Schools are:

Family of Character - Green  
Family of Integrity - Blue  
Family of Loyalty - Yellow  
Family of Honor - Purple  
Family of Resilience - Black  
Family of Respect - Red

"Positive relationships are an important part of being prepared for life, and we are going to focus on these relationships through 'school connectedness'" ~Dr. Shane Barnette

School Connectedness- the degree to which students perceive the people, places and activities they experience in a meaningful and important manner.
