

## Horizontal Bar Graph

### Data Investigation

I can choose a question and collect and represent data as a horizontal bar graph.

My question is: \_\_\_\_\_

|   | Tally | Total |
|---|-------|-------|
| A |       |       |
| B |       |       |
| C |       |       |
| D |       |       |
| E |       |       |
| F |       |       |
