

AA Daily Reflections:

JOYFUL DISCOVERIES

April 27

We realize we know only a little. God will constantly disclose more to you and to us. Ask Him in your morning meditation what you can do each day for the man who is still sick. The answers will come, if your own house is in order. But obviously you cannot transmit something you haven't got. See to it that your relationship with Him is right, and great events will come to pass for you and countless others. This is the Great Fact for us.

Sobriety is a journey of joyful discovery. Each day brings new experience, awareness, greater hope, deeper faith, broader tolerance. I must maintain these attributes or I will have nothing to pass on.

Great events for this recovering alcoholic are the normal everyday joys found in being able to live another day in God's grace.
