The screenshot shows a desktop environment with a calendar application. The background is a light blue gradient. In the foreground, there is a window titled "November 2007" which displays a weekly calendar view. The window has a title bar with standard OS controls (minimize, maximize, close) and a menu bar with options like "File", "Edit", "View", "Tools", "Window", and "Help". The main content area of the window shows a grid of days for the week of November 11-17, 2007. The days are color-coded: Monday (light blue), Tuesday (light green), Wednesday (light red), Thursday (light orange), Friday (light purple), Saturday (light yellow), and Sunday (light pink). The dates 11 through 17 are visible in the grid.
