2022

The figure displays 16 monthly calendars for the year 2022, arranged in a 4x4 grid. Each calendar shows the days of the week (S, M, T, W, T, F, S) and the dates. The months are arranged in four rows and four columns: January, February, March, April; May, June, July, August; September, October, November, December. The dates are color-coded: red for the first day of the month, green for the last day, and blue for other days. The grid is set against a background of a stylized city skyline.
