

# SPEAK LIKE A NATIVE

## Normal English

## Advanced English

Give more details

Leave me alone

I'm listening to you

I go to sleep

To make a big effort

It sounds familiar

To accept criticism

Feeling nervous

Calm down

Make mistake

I agree

Fill me in

Get lost

I'm all ears

I hit the sack

Pull out all the stops

Ring a bell

Face the music

Heart in my hand

Put yourself together

Live and learn

See eye to eye
