8 pm							
9 pm							
10 pm							
11 pm							

First put in all courses you are taking - plus 30 minutes to pre-read and post read immediately around the class, then all tutorials, then time you get up and go to bed, then any other nonflexible activity. Now block off 2 half days for leisure (usually Friday night and Sunday morning). Now block two to three hour sessions per subject each Sat & Sun to prepare for the following week (list by subject). Now do the same each night.
