TOP SUIT

Throughput of 12 K... Wait. This is
Vanderchuk data?

She goes white. The etched logo on the conference room door:
"Hallman Inc"

TRISH

Well... Hypothetically. It could
be. This slide is just to
demonstrate...

She minimizes the presentation. Opens another file labeled
"Halman"

TOP SUIT

Did you just show proprietary data
to a competitor of one of your
other clients?

TRISH

No. Of course not. That's just a
comparison for ref--

TOP SUIT

And Hallman is spelled with two
"L"'s.

TRISH

Just let me start over --

Trish's phone RINGS. LOUD.

She silences it, but sees the caller ID: "ST. JUDE'S HOSP"

She hesitates.

TRISH

I might actually have to--

TOP SUIT

Get out.
